I think I'm breaking out  
Gonna leave you now  
There's nothing for me here, it's all the same  
And even though I know  
That everything might go  
Go downhill from here, I'm not afraid

Way away away from here I'll be  
Way away away so you can't see  
How it feels to be alone and not believe (alone and not believe)  
Feels to be alone and not believe, anything

You can't stop me now  
You can't hold me down  
You can't keep me here, I'm on my way  
I've made it this far now  
And I'm not burning out  
No matter what you say, I'm not afraid

Way away away from here I'll be  
Way away away so you can't see  
How it feels to be alone and not believe (alone and not believe)  
Feels to be alone and not believe, anything

Letting out the noise inside of me

(Letting out the noise inside of me)  
Every windowpane is shattering  
(Every windowpane is shattering)  
Letting out my words before I speak  
(Letting out my words)  
This is how it feels to not believe

Letting out the noise inside of me  
(Letting out the noise inside of me)  
Every windowpane is shattering  
(Every windowpane is shattering)  
Cutting out my words before I speak  
(Cutting out my words)  
This is how it feels to not believe

Way away away from here I'll be  
Way away away so you can't see  
How it feels to be alone and not believe (alone and not  
believe)  
Feels to be alone and not believe, anything
