Ow...Yeah
Don't wanna...wanna...wanna...
wanna...wanna hear your set,
Oh what a rocker wanna stop and listen,
what's your mind set?
Yeah!
Well all the girls are pure punk,
you got dropped cause you went & stunk
Your little sister with a girl went a
smack, smack, smack, smack, smack, smack-
o...
Man she's so stupid,
and the band sucks,
and you look like a weasel
Cannon Ball...
just a cruiser!
TNT...
show the loser my energy!
From the start...
you think ya smart!
The dream is dead...
burn the flag
Burn the flag
Burn the flag
Burn the flag
(fade)—burn the flag.....
