{VERSE 1}

I had a dream that seemed so real
with arms that I could feel
with songs that I could play
As some surprise I opened up my eyes
lying in my bed I heard an angel say

{CHORUS}

Smart Boys don't mess around
girls don't come down...yeah!
Jesus told me a lie....I wanna believe!

{VERSE 2}

Don't wanna try, don't wanna lie
Just wanna be a Smart Boy
With a 1,000 lies, I think it's time
I wanna be a Smart Boy

{VERSE 3}

Some boys ain't no damn good! oh oh uh oh
Smart Boys always....
Smart Boys always....shine!

{GUITAR SOLO}

{VERSE 4}
