VERSE

People try to talk, try to waste my time
Everybody tryin' tryin' put the weight on my mind
Say fake it and i'll make it like i don't understand
Got a chemical smile, i'm a mustache man.

PRE-CHORUS

And i'm straight!
In each and every way
People ??????????
And i'm straight!
I feel like a stick
Going out with a bang, coming in with a kick.

CHORUS

Cause im straight!!!
straight!!! x3
And i'm!

VERSE

People think they're straight, but their bent like a hook
???????? every trick in the book
Gonna give you ??????????
Theres something here to steal, whatever we want.

PRE-CHORUS

And im!! straight!!
And this is the style
Everybody ???? a miracle mile
I want some straight
i say hell yeah!
going through the devil, like a bat outta hell!

CHORUS

straight!! x4
And the whole world wants to answer right now
tell you who's straight!

(Solo)

VERSE

Theres gonna come a day, and it wont be long
flippin' through the ??? papers, like who's come and
gone
cause i ???? in the message i leave
find out im straight, and we'll be on belief

CHORUS

STRAIGHTTTTTTTTT!!!!

straight!! x2

straight! straight! straight! x2

straight!

straightttt!!!

(end)
