Teen Wizards on your street,
the grown ups get so high.
They chain their children's hearts into the sky.
Let's jam the jukebox babe,
the fuckers will shine on...I..hi..hiiiiiiiiiiii
and everybody everywhere,
shooting off their air to air.
To release the silent prisoner!!!!!!
Teen Wizards of tomorrow,
Rock city on the radio.
Everybody's gonna follow,
When the sun is burning on and on,
For you will...
Do what you wanna do,
right now
little angels, pretty girls
on and on,
having sense to the sun
the air is calling.
Super, super, Supertramp...
Hey yo, superfried and superstars
You've gotta choose and don't ever lose it,
a time to control, your rotting soul.
yeah stand up to face the sun,
you ain't the only one,
know you ain't the only one.
Oh,
Teen Wizards of tomorrow,
Rock city on the radio.
Everybody's gonna follow,
when the Earth is turning on and on,
then you will.
{Guitar} Yeah!...
Teen Wizards of tomorrow,
Rock city on the radio.
Everybody's gonna follow,
When the skin is burning in the sun,
The silence will load the gun,
the violence is the future's son.
And it's you,
I feel it's true
When I see you,

I get shot through!
