Do you remember the days of yore?
Horror films filled with gore?
That's when we would scream and shout
For that's when the ghosts came out!
Little Spanky learned the game, his tale puts all to
shame
On the fatefull Halloween night
Yeah, he pulled some pranks, was mean to those he
should thank
I think it's time he got his due!
Close my eyes and count to three, maybe then they will
see
That there really is no need, to make a meal of me

Up from their graves they rose, old bones and tattered
clothes
Now they'll show what they can do
Run Spanky! There he goes! Too late! Nobody knows!
What's come of him ever since?

Well kids, what did we learn?
Spanky got what he deserved, on that cold, dark, evil
night
So be good to those you should thank, and beware of
those who hate
Or the next time, it could be you!
