Dionysos - I am your truth
No one ever thanks you more
My friends and I we bear this use
We all glare at firing roar

On planet earth we serve thy king
You once bestowed the ancient ring
Save our world from feeble crust
Sheep to lead that's what we trust

Endeavour to speed and lead
Endeavour to pace their lifes

Martyr of the centuries

Your will comes true these days
Babylonian reign of bloody deed
Mankind is lost - celebrating their defeat

Lack of stupid morals now
Humans all to you will bow
All efforts to win their souls
Have finally effect on roles

Accomplishment to speed and lead
Accomplishment to pace their lifes

Forever patriot of fire!
