Dungeons see our dark desires
Far away from life
We must bow to blackening joy
Falling deep into romancing fires
Let us sink to worlds beyond
Where hurting love control
Fascinated by the peaks of lust
No time shall steal our whipping plays
Hosanna! Hosanna to the arts
Hosanna! Hosanna to our love
Hosanna! Hosanna lust and pain
Growing role of punisher
Picking breast and vagina
Slashing back and calfs
Got engaged through the bizarre
Tied by beloved chains
Strapped to ground and ecstasy
The Black God fills our souls within
Erotic gift of Lucifer
Hosanna! Hosanna to red lips
Hosanna! Hosanna to black masks
Hosanna! Hosanna angel of our lust
Bound in minds forever now
Never to forget this endless dream
Hosanna and Victoria, calling from afar
Overwhelming death and stars
Hosanna! Hosanna to bizarre
