It is not that difference
That we do not find a god
Not in history - not in nature
Not beyond their word
But that what we see
What is praised as god
That what we call
An error and absurd
More than error, crime against life
We deny god as god
The belief - against the science
As we live
This is god, Paulus
Created in his mind
This is god, human's will, his belief
Against the science
God at war with mankind
Mankind has become the enemy of god
Creation made them rivals
Man should not think of thoughts
Ha, think the worst of all
Never suffer, fight the lie
More than fake, crime against life
We deny god as god
Only us, enlightened minds, we can see
The lie in
