The sentence at the end  
Condemnation of Christ's church  
Spoken by the court of winds  
I accuse this church for slander  
Highest symbol of corruption  
Which nothing let untouched  
Every value is unvalue  
Honesty is baseness  
Every truth became lie  
Do not dare to speak of  
human blessings  
They create necessity  
To live on in eternity  
The worm of sin enriched  
The christian church  
I spit on you, the sin will never die  
"Equality of souls facing god"  
On the plea of fools  
Blast of words made  
The principle of revolution  
Christian dynamite  
Art of self-abasement  
The will to lie as want to deny  
Underground conspiracy  
Anti sanity, benefit, life

or mind of beauty  
I name "Christianity"  
the one and only curse  
The one and only instinct of revange  
Time of dies nefastus  
Doom began first day  
Why not on the last  
Revalue all rights  
Philosophy of Anti-Christ  
The way I live, the way we fight  
Worm of sin feel embraced  
Without you they would win  
Let's return  
to the times of ungodliness  
Northwind blowed for us  
Born of Satan's decadence

Dissoluting times of sin  
Orgies of dying and living  
Sacrifice for our king  
King of body, king of mind  
King of soul and king of mine  
Bring forth archaic power  
Feed us might and will  
Destroy the reigning race  
For the worm of sin will reign
