Can we try again
To start a new and lovely story that will shine a ray of
light upon our hearts and will bring back long lost glory
Of how it used to be
Baby you and me
Convinced we were each others destiny

My heart cries out to you, you must forgive me
I've been dancing in the dark
and searching for a spark
A fires still burning

I believe we'll make it through
If you stand by me
We can weather any storm
and keep each other warm
As long as there's love

Every time I think of us
My eyes are filled with tears to think that
I gave in to sweet temptation
His words like music to my ears
I hope its not too late
That you'd still come wait
and we'd still meet and you're still heaven's
Fate.....

My heart cries out to you, you must forgive me
I've been dancing in the dark
And searching for a spark
A fires still burning

I believe we will make it through
If you stand by me
We can weather any storm
And keep each other warm
As long as there's love

Mmmmmmmmmmmmmmmmmmmmmmmmmmmmmmm

Faith is not mine , if I could I'd unturn the hands of time

Oh my heart cries out to you, you must forgive me
I've been dancing in the dark
And searching for a spark I believe we will make it
through
If you stand by me
We can weather any storm
and keep each other warm
as long as there's love
and never enough
and love
