Aoi sora no shita de kaze wa mirai ni fuku
Taiyou no hizashi wo dakishimeru you ni

Tada nagasareru dake
Ashiato dake wo nokoshite

Hoho wo naderu kuuki to nekorobu kusa ga areba
Hoka ni nanimo iranai michitarita egao de

Hateshinaku tsudzuku
Ashita wo mitsume nemuru

La la la...

Namioto ga kikoeru kokoro wo kusuguru
Ame no shizuku mitai ni kimama ni atenaku

Shizuka ni yuuhi ga subete wo mitodoke
Tooi umi ni shizumu kuchidzuke suru you ni

Hateshinaku tsudzuku
Ashita no yume ni nagareru

[English Translation]

La la la...

Underneath the blue sky, the wind blows toward the
future,

As if embracing the rays of the sun.

Merely wandering along,

I leave behind only a trail of footsteps.

As long as there's a breeze brushing my cheek & grass
to lie in

I don't need anything else, and I'll smile with
satisfaction.

Sleeping, gazing at

The never-ending future...

La la la...

I can hear the sound of waves, touching my heart,
Selfishly aimless, like drops of rain.
The setting sun quietly reassures itself of everything,
Then sinks into the distant sea, as if giving it a kiss.
Wandering towards
The dream of a never-ending future.
La la la...
