I Don't Want To Wake Up  
And I Don't Want To Wake Up  
With You Anymore

And I Don't Think It's My Place To Say  
All The Things That You Brought  
Across The Bedroom Floor

Long Fermented Wheat And Barley  
Morning Made For Being Sorry  
Brain Cells Who They Fought  
To Save Exit Wounds  
Are All The Rave, Yeah  
Crowds They View Upon A Slant  
Worship The Agave Plant, Yeah  
Let's All Praise The Sun

Three Weeks My Home Has Been This Hospital Bed  
Not Much Longer 'Til I Wish I Were Dead  
The Chart Records My Health According To Day  
By Now I Feel That I Have Something To Say

Something To Say  
Something To Say  
Something To

Though The Evening Sent Us Soaring  
Bernie Is The King Of Morning  
Fearless With His Russian Friend  
Bernie Stays Until The End, Yeah  
Focusing On The Something New  
Sometimes The Night Is Never Through, Yeah  
Let's All Praise The Sun

I Hear Your Voice As You Visit My Side  
Immobilization Does Nothing For Pride  
There's Vacancy In This Spot Where I Lay  
By Now I Feel That I Have Something To Say

Something To Say  
Something To Say

Something To

Long Fermented Wheat And Barley  
Morning Made For Being Sorry  
Brain Cells Who They Fought  
To Save Exit Wounds  
Are All The Rave, Yeah  
Crowds They View Upon A Slant  
Worship The Agave Plant, Yeah  
Let's All Praise The Sun

And I Don't Want To Wake Up In Pain  
And I Don't Want To Wake Up With You Anymore
