This is our friend - Finganfor
He lives on a hill - Finganfor
From where we go tonight - Finganfor -
Finganfoooooooooor

Coming in your home
Coming in your home
Drinking into the night
Drinking into the night

This is our friend
Finganfor - Finganfor
He lives on a hill
Finganfor
From where we go tonight - Finganfor -
Finganfoooooooooor

Let's go! To the magic palace of Finganfor

Coming in your home
Drinking into the night
Walking on the stars
Under the moonlight

This is your friend
This is Finganfor
Ho ooooooo...

Fin-gan-fo-or
Finganfor
Fin-gan-fo-or
Finganfor
