So, uh, we're Tub Ring. We'll give you blood later. But I

Have a question for you people here in New York. Do you guys

Know what's cooler than being cool? Ice cold!

One two three, go!

My baby don't mess around
Because she loves me so
And this I know for sure..
But does she really wanna
But can't stand to see me
Walk out the dooor...
Don't try to fight the feelin'
Because the thought alone is killing me right nooww..
Thank god for mom and dad
For sticking through together
'Cause we don't know hooowww...

Hey ya!
Hey ya!
Hey ya!
Hey ya!

Once Came A Man In This Heliocentric Plan
Who Found He Was The Center Of The Universe

Soon There Were Three And Whatever The Choice May
Be
Would The Knowledge Uncovered Help More Than It
Hurt

Once Came The Earth, That Was Flattened Among it's
Birth
And The Victims Of Edges Were The Ones Who Knew

Negative One, As We Spin Around The Sun
And You Know That I Did It All For You
For You, For You, For You

Past Seen As Lies And The Future Was Seen Through
Eyes
That Held On To The Faith Of Everything They Knew

Negative One, As We Revolve Around The Sun
And You Know That I Did It All For You
For You, For You, For You, For You
For You, For You, For You, For You
