And There Are Times When I Think
That Life Is In Stereo
We've Got Hi-fi Quality Anyway

And I Can Clarify Anything
And Indication Of What Progress Brings
So I Know That
I'll Always Have Something To Say
And On We Go

And There Are Times When I Think
It's Such A Long Way To Go
Until I Realize
What We Can Do Today
And On We Go

Breakdown Of A Working System
For Those Who Think We Need A Change

Trepidation Of A World Gone Mad
Utopia That Was Never Had

These Are The Testimonies Of An
Explicit, Relevant, Clinical Me

Pour Myself A Frightening Drink
Still Deny The Way I Think

Chance And Spite
Will Rule The Earth

Repress Morals
Taught Since Birth

And There Are Times When I Think
It's All In My Mind, You Know
And I Wonder What Will Happen When I'm Dead
Well That's Right

Will The Universe Cease To Be
Because It All Revolves Around Me

And That's Why I Think
I'm Living With Rene's Head
And On We Go

Breakdown Of A Working System
For Those Who Think We Need A Change

Trepidation Of A World Gone Mad
Utopia That Was Never Had

These Are The Testimonies Of An
Explicit, Relevant, Clinical Me

Pour Myself A Frightening Drink
Still Deny The Way I Think

Chance And Spite
Will Rule The Earth

Repress Morals
Taught Since Birth
