I wanna talk about moto life
I wanna talk about moto love

Wanna tell you about story about growing old
While your eating your breakfast everyone
Wanna tell you about a story about reading the paper
On the subway while you're going to work

I wanna talk about being alive
I wanna talk about being a-laid

Tell you about story about Vietnam
Right up your hienie
Tell you about story about a new hydrangle
And it's gonna rack and roll all night

In moto life
Moto life
In moto life
Moto life
In moto life
Moto life

I wanna talk about being a nun
I wanna talk about being a gun

Tell you about a story about a Catholic school
Where the nuns all carry switchblades
Tell you about a story about going to church
And I'm not getting up in the morning

In moto life
Moto life
In moto life
Moto life
In moto life
Moto life
