Well, I left Kentucky back in '49  
An' went to Detroit workin' on a 'sembly line  
The first year they had me puttin' wheels on cadillacs

Every day I'd watch them beauties roll by  
And sometimes I'd hang my head and cry  
'Cause I always wanted me one that was long and  
black.

One day I devised myself a plan  
That should be the envy of most any man  
I'd sneak it out of there in a lunchbox in my hand  
Now gettin' caught meant gettin' fired  
But I figured I'd have it all by the time I retired  
I'd have me a car worth at least a hundred grand.

[CHORUS]

I'd get it one piece at a time  
And it wouldn't cost me a dime  
You'll know it's me when I come through your town  
I'm gonna ride around in style  
I'm gonna drive everybody wild  
'Cause I'll have the only one there is a round.

So the very next day when I punched in  
With my big lunchbox and with help from my friends  
I left that day with a lunch box full of gears  
Now, I never considered myself a thief  
GM wouldn't miss just one little piece  
Especially if I strung it out over several years.

The first day I got me a fuel pump  
And the next day I got me an engine and a trunk  
Then I got me a transmission and all of the chrome  
The little things I could get in my big lunchbox  
Like nuts, an' bolts, and all four shocks  
But the big stuff we snuck out in my buddy's mobile  
home.

Now, up to now my plan went all right  
'Til we tried to put it all together one night

And that's when we noticed that something was  
definitely wrong.

The transmission was a '53  
And the motor turned out to be a '73  
And when we tried to put in the bolts all the holes were  
gone.

So we drilled it out so that it would fit  
And with a little bit of help with an A-daptor kit  
We had that engine runnin' just like a song  
Now the headlight' was another sight  
We had two on the left and one on the right  
But when we pulled out the switch all three of 'em come  
on.

The back end looked kinda funny too  
But we put it together and when we got thru  
Well, that's when we noticed that we only had one tail-  
fin  
About that time my robot walked out  
And I could see in it's eyes that it had it's doubts  
But it opened the door and said "Destroy all humans."

So we drove up town just to get the tags  
And I headed her right on down main drag  
I could hear everybody laughin' for blocks around  
But up there at the court house they didn't laugh  
'Cause to type it up it took the whole staff  
And when they got through the title weighed sixty  
pounds.

[CHORUS]

I got it one piece at a time  
And it didn't cost me a dime  
You'll know it's me when I come through your town  
I'm gonna ride around in style  
I'm gonna drive everybody wild  
'Cause I'll have the only one there is around.

[Spoken] Ugh! Yow, RED RYDER  
This is the COTTON MOUTH  
In the PSYCHO-BILLY CADILLAC Come on

Huh, This is the COTTON MOUTH  
And negatory on the cost of this mow-chine there RED  
RYDER  
You might say I went right up to the factory  
And picked it up, it's cheaper that way  
Ugh!, what model is it?

Well, It's a '49, '50, '51, '52, '53, '54, '55, '56  
'57, '58' 59' automobile  
It's a '60, '61, '62, '63, '64, '65, '66, '67  
'68, '69, '70 automobile.
