Give me your hands - Please leave here your fears!  
Let's fly away 'cause the past awaits us  
Forget your name and open your eyes  
The magic is done  
Here in the woods the elves dance and sing  
Sing to the birds from the moon and the trees  
They were your friends - great friends you've forgotten  
They dwell in your dreams

Try to believe the magic is real - Look around you  
So run in the fields - Dance with the fairies  
And forget your rules - Welcome to our land

Tan pinga ra tan - Tan pinga ra tan  
Tan pinga ra tan - Pinga ra tan

Wonderful pleasures awaiting you here in our  
gorgeous land  
The dwarves hand by hand fairies calling for you  
Come with us - Let's drink the magic poison - our  
treasure  
Your mind will open - you'll never be the same  
Come here, dear friend, come to pinga ra tan... (elves)  
This magical land we hide will be your sweet paradise  
(fairies)  
Come to Tan pinga ra tan unite with the charmed ones  
(dwarves)
