Chains of love
Tied my heart to you
Chains of love
Made me feel so blue

Now I'm your prisoner
Tell me
What are you going to do?

Well, if you're gonna leave me
Please won't you set me free
And, oh, if you're gonna leave me
Please set me free

And oh I can't stand here with these chains,
Oh, unless you stay here with me

Well it's three o'clock
In the morning baby
Lord, and the moon
Is shining bright

And, oh, it's three o'clock
In the morning baby
Let me tell you
The moon is shining bright

And oh I can't stand here with these chains
Oh unless you stay here with me tonight
Lord yeah
Chains of love
