Yeah!

I'm livin' a charmed life
Whoo!
Yeah! I'm livin' a charmed life

When I walk out of my front door
I'm livin' a charmed life
Put my foot down in the fast lane... huh
And I'm livin' a charmed life

I move to the left
I move to the right
Watch out for the husband
Stay close to the wife

Yeah!
I'm livin' a charmed life (Charmed life)
Whoo! Yeah!
On edge of a nerve

When I step out on the dance floor
Charmed life (Charmed life)
I move to the left
I move to the right

Ahhhh
When I'm walkin' on the North edge
I'm livin' a charmed life
Yeah

Hangin' by a left-up tiny thread
Be a sacrifice

Look out...
Yeah!
I'm livin' a charmed life (Charmed life)
Whoo! Yeah!
I'm livin' a charmed life (Charmed life)
Whoo!

Mmmm... I like to keep my head way down in this town
Someday I like to stand up
I hope my body'll prowl-I-I
Come on. Charmed life. (Charmed life)
Go on, come on!
I'm livin' a charmed life. (Charmed life)
Yeah... yeah! Livin' a charmed life. (Charmed life)
Whooo! Yeah! Livin' a charmed life. (Charmed life)

Whoo! Yeah! Livin' a charmed life.
Whoo! Yeah! Livin' a charmed life.
