Ooh, oh Lord, well listen

When I was up you would always come ?round  
But when I needed a friend, oh you could never be  
found  
I got a hole where my heart used to be

I wouldn't treat a dog, no, no  
The way you treated me  
The way you treated me

When time was good, oh Lord, all your loving was the  
same  
But when the going got rough you hardly knew my  
name  
You locked me up and you threw away the key

I wouldn't treat a dog, oh Lord  
The way you treated me

Got me crying for a love that I needed  
Begging like a dog for a bone  
Although I spent all my time pleading  
You turned your back and you leave

One of these old days, Lord knows, oh yeah it's true  
Just when you need me the most I'll walk right out on  
you  
And you'll say as you're begging down on your bended  
knees

I wouldn't treat a dog  
No, no, the way you treated me  
The way you treated me  
Oh no, no, I wouldn't do it to you baby
