(Mick):

I thought I shook myself free  
You see I bounce back quicker than most  
But I'm half delirious, it's too mysterious  
You walked through my walls like a ghost  
And I take every day at a time  
I'm proud as a lion in his lair  
Now there's no denying it, and no decrying it  
You're all tangled up in my hair

Old habits die hard  
Old soldiers just fade away  
Old habits die hard  
Harder than November rain  
Old habits die hard  
Old soldiers just fade away  
Old habits die hard  
Hard enough to feel the pain

(Sheryl):

We haven't spoken in months  
You see I've been counting the days

(Both):

I dream of such humanities, such insanities  
I'm lost like a kid maze

(Sheryl):

But I've never taken your calls  
You see, I put a block on my phone

(Both):

I act like an addict, I just got to have it  
I never can leave it alone

Old habits die hard  
Old soldiers just fade away  
Old habits die hard  
Harder than November rain  
Old habits die hard  
Old soldiers just fade away

Old habits die hard  
Hard enough to feel the pain

(Mick):  
And I can't give you up  
Can't leave you alone  
And it's so hard, so hard  
And it's hard enough to feel the pain

(Both):  
Old habits die hard (old habits die hard)  
Old habits die hard  
Harder than November rain  
Old habits die hard  
Old soldiers just fade away  
Old habits die hard
