If I was the sun way up there
I'd be with my love most everywhere
I'll be the moon when the sun goes down
Just to let you know that I'm still around

That's how strong my love is,
That's how strong my love is, oh
That's how strong my love is, baby
That's how strong my love is

I'll be the weeping willow drowning in my tears
You could go swimming when you're here
I'll be the rainbow when the sun is gone
Wrap you in my colors and keep you warm

That's how strong my love is,
That's how strong my love is,
That's how strong my love is, baby
That's how strong my love is

I'll be the ocean so deep and wide
I'll be the tears whenever you cry
I'll be the breeze after the storm is gone
To dry your eyes and love you, love you warm

That's how strong my love is
That's how strong my love is
It's so deep, it's so wild
I love you, love you, love you tonight
That's what love is, love love love love love, alright
That's how strong my love is
That's how strong my love is
