The rastamon is in da place he will take care of this  
case  
He will make reggae for every single race

All sterios and minds by bob marley  
And the speakers in my brand new harley

Cariboso brings us all together to enjoy reggae in all  
weather  
All the vibes that define music as a whole are reggae  
from deep within your soul.  
Cariboso lets them all out to show the world what  
reggae really is
