### [Verse 1]

Few words can be used to describe this land, so rich,  
so green, and so full of life.

Few people know what it really is and will never know  
what the place is like.

Few people can go wrong with the fact that Amazonia is  
a charm and nothing can compare, will match, will rival  
her, she amazes me, a place like no other, Amazonia,  
you've gotten me, rainforests so majestic.

### [Chorus]

Mama Amazonia, you amaze me so, mama Amazonia  
mi sa lobi yu fu tãgo

(translation: I will love you forever)

Mama Amazonia, you amaze me so, mama Amazonia  
mi sa lobi yu fu tãgo

### [Verse 2]

Mama Amazonia, yu mek mi firi tak yu na mi papa, mi  
mama, en ala sani ini mi libi

(translation: You make me feel that you are my father,  
my mother and everything in my life)

You harness the power of the sun and show so much  
strength. God made you in such a way, I don't know  
how it was done.

The cures, the cleanliness, the rivers, the people, the  
sunshine, the wealth and the food, the many things of  
Amazonia that make me feel real good!!!

### [Chorus]

Mama Amazonia, you amaze me so, mama Amazonia  
mi sa lobi yu fu tãgo

Mama Amazonia, you amaze me so, mama Amazonia  
mi sa lobi yu fu tãgo

Percussion...

Mama Amazonia, you amaze me so, mama Amazonia  
mi sa lobi yu fu tãgo

Mama Amazonia, you amaze me so, mama Amazonia  
mi sa lobi yu fu tãgo
