Koyi fariyaad tere dil mein dabi ho jaise  
Koyi fariyaad tere dil mein dabi ho jaise  
Tune aankhon se koyi baat kahi ho jaise  
Jaagte jaagte ek umr kati ho jaise  
Jaagte jaagte ek umr kati ho jaise  
Jaan baaki baaki hai magar saas ruki ho jaise

Jaanta hoon aapko sahare ki zarurat nahin  
Main sirf saath dene aaya hoon

Har mulaakat pe mehsoos yehi hota hai  
Har mulaakat pe mehsoos yehi hota hai  
Mujhse kuch teri nazar pooch rahi ho jaise

Raah chalte huve aksar yeh ghumaan hota hai  
Raah chalte huve aksar yeh ghumaan hota hai  
Woh nazar chupke mujhe dekh rahi ho jaise  
Woh nazar chupke mujhe dekh rahi ho jaise

Ek lamhe mein simat aaya hai sadiyon ka safar  
Ek lamhe mein simat aaya hai sadiyon ka safar  
Zindagi tej bahut tej chali ho jaise  
Zindagi tej bahut tej chali ho jaise

Is tarah pehron tujhe sochta rehta hoon main  
Is tarah pehron tujhe sochta rahta hoon main  
Meri har saas tere naam likhi ho jaise  
Meri har saas tere naam likhi ho jaise

Koyi fariyaad tere dil mein dabi ho jaise  
Tune aankhon se koyi baat kahi ho jaise  
Jaagte jaagte ek umr kati ho jaise  
Jaan baaki baaki hai magar saas ruki ho jaise
