Let's drink, let's drink till we fall down
Let's drink, I'll see you on the ground
Let's drink, let's drink till we fall down
There's nothing else to do here in this town

I try to talk to you, there's nothing right that I can say
There's nothing good that I can do,
My stupid mouth gets in the way
The only thing that I can think to say is

Let's drink, let's drink till we fall down
Let's drink, I'll see you on the ground
Let's drink, let's drink till we fall down
There's nothing else to do here in this town

Don't make up your mind unless your mind's made up
on me
I'll take a greyhound bus and ride from sea to shining
sea
If only to get back and say to you

Let's drink, let's drink till we fall down
Let's drink, I'll see you on the ground
Let's drink, let's drink till we fall down
There's nothing else to do here in this town

I gotta tell ya, you're the best thing that
My eyes have ever seen
Girl you look so good,
You damn near knocked my eyes right out clean
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah

Let's drink, let's drink till we fall down
Let's drink, I'll see you on the ground
Let's drink, let's drink till we fall down
There's nothing else to do here in this town

Let's drink, let's drink till we fall down
Let's drink, I'll see you on the ground
Let's drink, let's drink till we fall down

There's nothing else I'd rather do
No one here but me and you
Nothing else to do here in this town
There's nothing else to do here in this town.
