Tum bin kya hai jeena kya hai jeena  
Tum bin kya hai jeena  
Tum bin jiya jaaye kaise kaise jiya jaaye tum bin  
Sadiyon si lambi hai raaten sadiyon se lambe huv din  
Aaa jao laut kar tum yeh dil keh raha hai  
Aaa jao laut kar tum yeh dil keh raha hai

Phir shaame tanhayee jaagi phir yaad tum aa rahe ho  
Phir jaan nikal ne lagi hai phir mujhko tadpa rahe ho  
Phir mujhko tadpa rahe ho  
Is dil mein yaadon ke mele hai  
Tum bin bahut hum akele hai  
Aaa jao laut kar tum yeh dil keh raha hai  
Aaa jao laut kar tum yeh dil keh raha hai

Kya kya na soocha tha maine  
Kya kya na sapne sajaye  
Kya kya na chaaha tha dil ne  
Kya kya na armaan jagaaye  
Kya kya na armaan jagaaye  
Is dil se toofan guzarte hai  
Tum bin to jeete na marte hai  
Aaa jao laut kar tum yeh dil keh raha hai  
Aaa jao laut kar tum yeh dil keh raha hai  
Tum bin jiya jaaye kaise kaise jiya jaaye tum bin  
Sadiyon si lambi hai raaten sadiyon se lambe huv din  
Aaa jao laut kar tum yeh dil keh raha hai  
Aaa jao laut kar tum yeh dil keh raha hai
