For what it's worth I'm a man, and I got me a plan  
I'm gonna walk back in that bar and start drinkin' again

And that is all that I've known, ever since I've been  
shown  
That life can't get much worse when you ain't got a  
home

I got that state line weighin'  
Bad times are gonna change I'm prayin'  
I got that state line weighin' on my mind

So now I'm taking a train, staying out of the rain  
My mamma done raised me right, I got no one to  
blame  
There's nothing left for me here, so I'll drink me some  
beer  
And when I pass on from this life, don't she'd me no  
tears
