The meathook of Randall Terry
Plowed up my rectum

Agh!

The snout of Jesse Helms

Fouling everything I read

Agh!

Gored by the PMRC

Parental advisory

Clean white songs for mommy

Or you're banned in the U.S.A.

Agh!

Such a pain in the ass

A big fist of cement

With Joe McCarthy's name attached

A lair of white bread worms

Gnaws my spine

Is that a cattle prod in your pocket

Or are you just glad to see me?

Agh!

Desires tied in knots of pain

Tighter, tighter, going insane

Agh!

Afraid to think

Afraid to screw

I hear batwings in our bedroom

Voila! There they are-

Bloodsuckers for decency

Vampires on the take

World's fattest rattlesnakes

Moving closer to the kill

Where have I seen those eyes?

I hate their God

And it hates me

A cop up in heaven

Raining Holy-Roller hell on earth

One by one fish hooks creep in
Five year mission to get under your skin
Wrap around your brain and stem
Pull your soul apart from within

Inside
Inside

They bite my mind
Bite my mind
Bite my mind
Bite my mind

Out of the closet
Into the fire
Zero tolerance for life
Will I ever feel free
To be free... ?
