The man with the corkscrew eyes  
Sees through walls  
Sees through lies

Always knows  
Who's using who  
Who not to trust  
And what they'll do

He alone  
Sees all  
For what it's worth  
And there lies the pain

The man with the corkscrew eyes  
Sees through everyone  
Stays on Guard

Never at home  
Anywhere  
Always wants  
To be somewhere else

The real thing  
Without the games  
Does this exist  
Or is that too much to ask?

So alone  
Thinks for himself  
The load is heavy  
And there lies the pain

My brain radar's  
Working all the time  
Can't turn it off  
It's always on

When I least expect it  
A spark, a fire  
I feel inspired  
I feel inspired!

These crazy ideas  
Crawl in my mind  
They light me up  
I'm whole again

Keep me awake  
Won't let me rest  
Rather toss and turn  
Than go through my life asleep

Free alone  
Never bored  
I am... Alive  
Alive  
Alive  
Alive-O!
