This is for you! How are you doing? It's been a while.  
Where have you been? What have you seen? And did  
you smile?

Like You're Supposed to do  
Like I remember you

This is for me. How am I doing? Oh I'm doing fine...  
Where have I been? What have I seen? Only your smile  
While thinking of me and you.  
And of the times with you  
Like I'm supposed to do.

DooDoodo.....

Aaaahh...This is for us. Until tomorrow I'll say goodbye  
Believe me I must. If I where to stay. I'd only cry.  
While thinking of me and you.  
And of the times we knew.  
Like I'm supposed to do

Aaaaahhh.....
