[2Pac]

Whassup? It's 2Pac. Can you get away?

Let me come swoop you up.

[girl]

You know I got a man.

[2Pac]

I know you got a man

But he ain't gon' mind if I take you out.

[girl]

Of course he gon' mind.

[2Pac]

Let me take you to lunch.

I'll have you back before he even get home;

Before anybody see.

[girl]

I can't. (Aww c'mon!) He ain't gon' let me.

[2Pac]

Pleeeeeeease...

[girl]

Nah.

[2Pac]

Oh aight. What's wrong with your eye?

Why you got on glasses?

[Verse One: 2Pac]

Ever since I met ya I could beat depression

It's like your man don't understand, all he does is
stress ya

I can see your state of misery from the introduction
Ain't bout no suckin and touchin, just harmless
discussion

Maybe we can see a better way, find a brighter day
Late night phone conversations -- would that be OK?
I don't wanna take up all your time, be the next in line
Tell me your size, let me find you things with you in
mind

I can see you're cautious and I'm careful not to scare
you

But anticipation of love makin
Got you shakin when I'm standin near you
News of precision will prepare ya

In case you get scared, just ask the man in the mirror
Now the picture's gotten clearer all he does is hit you
hard
I tell you to leave, and you tell me keep my faith in God
I don't understand, I just wanna bring ya home
I wonder should I leave you alone and find a woman of
my own
All the homies tell me that you don't deserve it
I contemplate -- but in my heart I know you worth it
Tell me can you get away?

Ebony, can you get away?
C'mon.. let's go.. can you get away?
Can you get away?

[girl]
So much pressure in the air
[2Pac]
I know, I know
[girl]
And I can't get away
[2Pac]
Just for a little while love
[girl]
I'm not happy here
[2Pac]
I know it's hard but, can you get away?
[girl]
So much pressure in the air
[2Pac]
Let's go man, get up outta there
.. can you get away?
[girl]
And I can't get away
[2Pac]
Do you love him?
[girl]
I'm not happy here
[2Pac]
Do you love that man?

[Verse Two: 2Pac]

Could it be my destiny to be lonely?
And checkin for these hoochies that be on me cause
they phony
But you was different -- I got no need to be suspicious
Cause I can tell -- my life with you would be delicious
The way you lick your lips and shake your hips got me
addicted
I'm sittin here hoping that we can find some way to kick

it

Even though I got your digits gotta struggle to resist it
Slowly advance and miss my chance not to miss it
You blow me kisses
When he ain't lookin, now your heart's taken
My only wish is that you change your mind and he get
shook
Wanna take you there but you scared to follow, come
see tomorrow
Hoping I can take you through the pain and sorrow
Let you know I care -- that someone's there for your
struggle
Depend on me, when you have needs or there's trouble
I wanna give you happiness and maybe even more
I told you before, no time to waste we can hook up at
the store
Can you get away?

[girl]

So much pressure in the air

[2Pac]

I know it is

[girl]

And I can't get away

[2Pac]

Yeah you can

[girl]

I'm not happy here

[2Pac]

You ain't happy huh ..can you get away?

[girl]

So much pressure in the air

[2Pac]

I know.. is he beatin on you?

[girl]

And I can't get away

[2Pac]

Did he punch you?

[girl]

I'm not happy here

[2Pac]

Throwin you around the house?

[Verse Three: 2Pac]

I see you remiscin and I hope you listenin
In the position to pressure and offer competition
Me and you -- was meant to be my destiny, no longer
lonely
Cause now it's on for you and me, all I can see
A happy home, that's my fantasy

But my reality is problems with your man and me
What can I do? Don't wanna lose you to the sucker
Cause if he touch ya, I got some drama for that busta
Don't wanna rush ya -- but make your mind up fast
Nobody knows -- on who controls will it last, before I ask
I hope you see that I'm sincere, and even if you
Stay with him today I'm still here
I refuse to give up -- cause I believe in what we share
You're livin in prison and what he's givin can't compare
Cause everything I feel for you I wanna let you know
Passion it be yours and I'll never let you go
Tell me can you get away?

[girl]
So much pressure in the air
[2Pac]
Can't get away.. why?
[girl]
And I can't get away
[girl]
I'm not happy here
[2Pac]
Let me take you away
All I really know, can you get away?
[girl]
So much pressure in the air
[2Pac]
Man..
[girl]
And I can't get away
[2Pac]
Course you can get away
[girl]
I'm not happy here
[2Pac]
If you really wanted to get away
You could get away

[Outro: 2Pac]

You ain't got to go through all this drama and this
stress
With this old half a man, yaknowhatl'msayin?
I ain't tryin to put you in a position
Where you gotta give up your lifestyle for everything
You need but now.. he ain't even takin care of you
He beatin on you and shit; look how you look
She motherfuckin wanna be with that nigga,
yaknowhatl'msayin?
Shake that sucker to the left
Let me show you what this life is really about

Yaknowhatl'msayin? You need to be on first class
Need to be goin to Hawaii, seein the world
Seein what this world got to offer you
Not goin to, yaknowhatl'msayin?
The emergency room, gettin stitches
Cause this nigga done got jealous
Don't cry, it's all good

[girl]
Can you take me from here?
[2Pac]
Shake that man, get away
[girl]
Can you take me from here?
I'ahhhhhm unhappy here
And I need you to show me love
Because it's so much pressure now
And I neeeeed to get awayyyheyyyeahhh
