Chorus: repeat 2X]

All around the world same song

All all around the world same song

[Shock G]

I came for the party to get naughty get my rocks on

eat popcorn watch you move your body to the pop song

that I'm singing dinga linging funky beats ringing

everybody's swinging in the place

as I kick the J A Z Z Y is my style

R&B mixing it with the hip hop swing beat

Champagne in my hand, it wont be long till I'm gone

It's just the same old song

[Humpty Hump]

It's just a freestyle, meanwhile, we keep the beat kickin

sweat drippin, girlies in the limo eatin chicken

oops don't get the grease on your pantyhose

I love ya Rover, move over, I gotta blow my nose

Sneezin, but still I'm pleasin to all the slimmies

Pull out my jimmie, time to get busy wit a Jenny

if it's good and plenty, dont you know

there I go, there I go, there I go

But I dont go nowhere without my jim hat

If I'm rappin, cause she's clappin

then I'm strappin cause I'm smarter than that

then girlie maybe we can get along

Cutie after cutie, it's just the same old song

[Chorus: repeat 3X]

[Money B]

Money B, the freaky deaky, the squeaky meaky up and  
down

as a matter of fact ill be right back i gotta take a leak

So I'm drainin entertainin, but I got fame

and the bases I touch to much for me tryin to be namin

Aiyyo, you saw me on cable and gip

I busted in and I was goin legit

Clark Gable back in Pakland its the same old song

sport these shorties, same freckles and hat

drinkin the same 40's

[Humpty Hump]

hypothetical, political, lyrical, miracle whip

just like butter, my ryhmes are legit

Cause I'm the humpty. not humpty dumpty, but humpty  
hump

here a hump, there a hump, everywhere a hump

[Shock G]

ah shut up and just listen

not dissin dont get me wrong

but to me its just the same old song

so just watch, my name is shock, and i like to rock

and you cant stop this

2Pac go ahead and rock this

[2Pac]

Now I clown around when I hang around with the  
Underground

Girls use to frown, say I'm down, when I come around

gas me and when they pass me they use to diss me

harrass me, but now they ask me if they can kiss me

Get some fame, people change, wanna live they life  
high

same song, can't go wrong, if I play the nice guy

(clamin that they must have changed,just because we  
came strong)

I remain, still the same (why Tu'?) cause it's the same  
song

[Chorus: repeat 3X]
