[Dominique] Street Science, you're on the air [static]
What do you feel when you hear a record like Tupac's
new one? [static]
[Man responds] I love Tupac's new record [static]
[Dominique]
Right, but don't you feel like that creates [static]
A tension between East and West? [static]
He's talking about killing people [static]
I had sex with your wife and not in those words [static]
But he's talking about I wanna see you deceased

[Intro: Makaveli]

No doubt... to live and die in LA
California -- what you say about Los Angeles
Still the only place for me that never rains in the sun
And everybody got love

[Verse One: Makaveli]

To live and die in LA, where everyday we try to fatten
our pockets
Us niggaz hustle for the cash so it's hard to knock it
Everybody got they own thang, currency chasing
Worldwide through the hard times, warrior faces
Shed tears as we bury niggaz close to heart
What was a friend now a ghost in the dark, cold
hearted bout it
Nigga got smoked by a fiend, trying to floss on him
Blind to a broken man's dream, a hard lesson
Court cases keep me guessing, plea bargain
Ain't an option now, so I'm stressing, cost me more
To be free than a life in the pen
Making money off of cuss words, writing again
Learn how to think ahead, so I fight with my pen
Late night down Sunset liking the scene
What's the worst they could do to a nigga got me lost in
hell
To live and die in LA on bail, my angel sing

[Chorus: Val Young]

To live and die in LA, it's the place to be
You've got to be there to know it, what everybody
wanna see
[repeat 2X]

[Verse Two: Makaveli]

It's the, City of Angels and constant danger
South Central LA, can't get no stranger
Full of drama like a soap opera, on the curb
Watching the ghetto bird helicopters, I observe
So many niggaz getting three strikes, tossed in jail
I swear the pen the right across from hell, I can't cry
Cause it's on now, I'm just a nigga on his own now
Living life Thug style, so I can't smile
Writing to my peoples when they ask for pictures
Thinking Cali just fun and bitches, hahaha
Better learn about the dress code, B's and C's
All them other niggaz copycats, these is G's
I love Cali like I love woman
Cause every nigga in LA got a little bit of Thug in him
We might fight among each other, but I promise you
this
We'll burn this bitch down, get us pissed
To live and die in LA
(Let my angel sing)

[Chorus]

[Verse Three: Makaveli]

Cause would it be LA without Mexicans?
Black love brown pride and the sets again
Pete Wilson trying to see us all broke, I'm on some
bullshit
Out for everything they owe, remember K-DAY
Weekends, Crenshaw -- MLK
Automatics rang free, niggaz lost they way
Gang signs being showed, nigga love your hood
But recognize and it's all good, where the weed at?
Niggaz getting shermed out
Snoop Dogg in this muhfucka perved out, M.O.B.
Big Suge in the Low-Low, bounce and turn
Dogg Pound in the Lex, wit a ounce to burn
Got them Watts niggaz with me, OFTB
They got some hash took the stash left the rest for me
Neckbone, Tre, Head Ron, Punchy too
Big Rock got knocked, but this one's for you
I hit the studio and drop a jewel, hoping it pay
Getting high watching time fly, to live and die in LA

(Let my angel sing)

[Chorus]

[Outro: Makaveli]

This go out for 92.3, and 106
All the radio stations that be bumping my shit
Making my shit sells katruple quitruple platinum, hehe
This go out to all the magazines that supported me
All the real motherfuckers
All the stores, the mom and pop spots
A&R people, all y'all motherfuckers
LA, California Love part motherfucking Two
Without gay ass Dre
