Killing us one by one  
In one way or another  
American will find a way to eliminate the problem  
One by one  
The problem is  
the troubles in the black youth of the ghettos  
And one by one  
we are being wiped off the face of this earth  
At an extremely alarming rate  
And even more alarming is the fact  
that we are not fighting back  
Brothers, sistas, niggas  
When I say niggas it is not the nigga we are grown to  
fear  
It is not the nigga we say as if it has no meaning  
But to me  
It means Never Ignorant Getting Goals Accomplishes,  
nigga  
Niggas what are we going to do  
Walk blind into a line or fight  
Fight and die if we must like niggas

This is for the masses the lower classes  
The ones you left out, jobs were givin', better livin'  
But we were kept out  
Made to feel inferior, but we're the superior  
Break the chains in our brains that made us fear yah  
Pledge a allegiance to a flag that neglects us  
Honour a man that who refuses to respect us  
Emmancipation, proclamation, Please!  
Nigga just said that to save the nation  
These are lies that we all accepted  
Say no to drugs but the governments' keep it  
Running through our community, killing the unity  
The war on drugs is a war on you and me  
And yet they say this is the Home of The Free  
But if you ask me its all about hypocrisy  
The constitution, Yo, it don't apply to me  
Lady Liberty still the bitch lied to me  
Steady strong nobody's gonna like what I pumpin'  
But its wrong to keeping someone from learning

something  
So get up, its time to start nation building  
I'm fed up, we gotta start teaching childern  
That they can be all that they wanna to be  
There's much more to life than just poverty

This is defaintl
