[Young Noble]

Yo, I can see

That you obviously don't know me or my homies

We O-U-T Lawz, f**k the phonies

A wise hustler once told me, it's on you

Though it was dreams when he first told me Now it's true

I got love for you only to a certain extend

Ni**as ain't worth s**t

Cops and ride d**k permits

I heard this and heard that

About them O-U-T Lawz

Some of them soldiers got shot

Some of them soldiers fell off

F**k yall now everybody tied to us

Hollering out a ni**a name

But never said what up

That s**t critical, dispicable, unforgiveable

I too like Hot ??

Your own fan won't remember you

Thuggin but we still spritual, clear lyrical

I'm like the f**kin Deff Squad

My ears ain't hearin' yall

Pump fearin' yall

But damn I ain't even wantin' to scare yall

Listen to what I tell yall

F**k the world,

Your baby moms and your baby girl

You muthaf**kas so fake,

Yo they made me wanna earl

Blake, hate snakes thug hatin the degree

Outlawz on a paper chase

Can you relate thug ni**az

[Napoleon Chorus]

We will never fall

Thru it all, we'll always stand tall

Cause in the end we'll be remembered as some young

muthaf**ka soldiers

And if you believe in that s**t that you heard

Y'all don't know us, y'all don't know us

[Napoleon]

Now I been trapped down
And f**ked since day one
This industruactional style of mine ain't no fun
Where I'm from
You sure to see about 10 ni**az in a bedroom
Eating off the same spoon
Sweeping with the same broom
It's hazard, it's you don't want yo life
Well give me grab it
I was born inside a love zone
With a glock-nine young marriage
It's critical
Then one of them sat down living so
Mystikal and empoious
With a heart full of anger it's so redicilous
So give me some with 21-gun soldier salute
With a 19-inch black handle snake knife in my boots
I'm straight from the strong, thug to your life
Right to yo wrong, I'll put the good to your evil
I'm the shells to your chrome, you dig that?
I'm life, I'll bring the moon to your night
I'll put the d**k to your wife
And I'm the Jesuz of your Christ
You dig that? respect this
I'll bring the end to your claw
I'll bring the loc to your heart
And I'll put the snoop on yo dogs
You hear me?
We follow, this little bullet so hollow
I can promise that estacy ain't promised tomorrow
With this two man makes
Me and my soul death astrayed
I watch my parents get blowed away
Now look what it made
I'm something to face
This ludacy then with me, then with chemistry
Got my eyes on you, the first time you cross me
I'll be frying you, cause y'all don't know me

[Young Noble Chorus]

We will never fall
Thru the war, we'll always stand tall (Why)
Cause in the end we'll be remembered as some young
muthaf**ka soldiers

[E.D.I]

When we was kids, the loving felt good
But of course have the respect
Though it's even better
Now for this cheddar

Ni**az is laying deader
Then Malcom and Martin put together
Oh Lord only knows where we'll end up
Remember what Pac said
Watch the f**kin signs
But we wasn't listening
Too busy trippin off his shine
Now one time for my muthaf**kin' Outlawz
Napoleon, Noble, and Kastro
May we all roll
And if you don't know
We got the rap game petro
Scared cause we bout to release
Like heavy metal
Nationwide, underground
We running the ghettos
Stealing all of ya fan base like we kleptos
Bi**h I can't let go
I been strugglin' too long, thuggin' too long
And ni**az is stealing my s**t
And busting it wrong
Hot shots holla back when you get 'em
Outlawz'll sic 'em, bustin back at the system
Military wisdom
Preparing myself for armegeddom
Breaking my balls at this game
Knowing it's a dead end
And my only weapon
Is my believe that I'm superior
Yeah we the muthaf**kas
That you ni**az is liery off
Controling my steam
Knowing my team to deserve more
F**k the reframe
Stick to the game and earn more
Holding my head, rolling the head with focus
Laughing inside
Cause deep inside y'all don't know us

[Young Noble Chorus]

We will never fall
Thru it all, we'll always stand tall (Why)
Cause in the end we'll be remembered as some young
muthaf**ka soldiers
And if you believe in that s**t that you heard
Y'all don't know us, y'all don't know us

We will never fall (Never)
Thru the war, we'll always stand tall
Cause in the end we'll be remembered as some young
muthaf**ka soldiers

And if you believe in that s**t that you heard
Y'all don't know us, y'all don't know us

[E.D.I Talking]

Ain't never know ni**az like us boy
They don't make ni**az like us no more
Thug in Peace.. to all my ni**az (Never)
See ya soon.. uhh
