You know, I wonder if they'll laugh when I am dead
Why am I fighting to live, if I'm just living to fight
Why am I trying to see, when there aint nothing in sight
Why I am I trying to give, when no one gives me a try
Why am I dying to live, if I'm just living to die

Check it, I grew up a fuckin screw up
Got introduced to the game, got a ounce and fuckin
blew up
Choppin rocks overnight
The nigga Biggie Smalls tryin ta turn into the black
Frank White
We had to grow dreads to change our description
Two cops is on the milk box missin
Show they toes you know they got stepped on
A fist full of bullets a chest full of Teflon
Run from the police picture that, nigga I'm too fat
I fuck around and catch a asthma attack
That's why I bust back, it don't phase me
When he drop, take his glock, and I'm Swayze
Celebrate my escape, sold the glock, bought some
weight
Laid back, I got some money to make, motherfucker

You know, I wonder if they'll laugh when I am dead
Why am I fighting to live, if I'm just living to fight
Why am I trying to see, when there aint nothing in sight
Why I am I trying to give, when no one gives me a try
Why am I dying to live, if I'm just living to die

Its on Me
And still I'm havin memories of high speeds, when the
cops crashed
As I laugh pushin the gas when my glocks blast
We was young, and we was dumb but we had heart
In the dark when we survived through the bad parts
Many dreams is what I had, and many wishes
No hesitation in extermination of these snitches
And these bitches they still continue to pursue me
A couple of movies now the whole world tryin to screw
me
Even the cops tried to sue me

So what can I do but stay true, sippin 22's a brewin
Now the medias tryin to test me got the press askin
questions, tryin to stress me
Misery is all I see, thats my mind's state
My history with the police is check the crime rate
Ma main man had 2 strikes, slipped, got arrested and
flipped
He screamed 'Thug Life!' and emptied the clip
Gots tired of runnin from the police

You know, I wonder if they'll laugh when I am dead
Why am I fighting to live, if I'm just living to fight
Why am I trying to see, when there aint nothing in sight
Why I am I trying to give, when no one gives me a try
Why am I dying to live, if I'm just living to die

I was shocked at everything! Ya know what im sayin. I
wasn't more shocked at him die
I was more shocked at him. Pac' is a strong dude I know
him you know what I'm
Sayin? Real strong so it was when he got shot I was
more like again
You know what I'm sayin? he always gettin shot or shot
at
He gon' pull threw this one again, make a couple of
records about it and its gon be over
U know, then when he died I was like 'Woah' you know
what I'm sayin
It kinda took me by suprise even though we was going
threw our drama I will NEVER
Wish death on nobody!'cause it will be coming back on
meecho
