"Because Of You"

I sat around, passed the time
All alone I gave up trying
Because of you

I make believe, that all was fine
Waited for another lie
Because of you

And all along, you led me on
Hated, waiting for you
Taking all I gave to you
You never took the time
It never even mattered
You sold me out
It's all because of you
You never realized
My life is a disaster
I'm torn apart
It's all because of you
All because of you

I not about
To waste away
All the hours of the day
Because of you

I can't believe
You had the nerve
Hope you get what you deserve
I deserve you

And all along, you led me on
Hated, waiting for you
Taking all I gave to you
You never took the time
It never even mattered
You sold me out
It's all because of you
You never realized
My life is a disaster
I'm torn apart
It's all because of you

Take back all the things you made me feel
Nothing that you said to me was real

You never took the time
It never even mattered
You sold me out

You never took the time
It never even mattered
You sold me out
It's all because of you

You never realized
My life is a disaster
I'm torn apart
It's all because of you
All because of you
All because of you
All because of you
