I think you should know that I'm feelin' better already
You probably shouldn't have left it up to me
No

There's not enough time in the day to prepare for my
temper
I guess I'll just have to learn to let go
No one will be unchanged

If you're gone
Then I know
I'm stuck in this place that seemed beautiful
And all that I know
Is that somewhere
There's comfort in being alone

I think you should know that I'm feelin' better already
You probably shouldn't have left it up to me
It isn't so bad know that all the supports have been
steadied
It didn't take long and I think that you would agree
No
No one will be unchanged

If you're gone
Then I know
I'm stuck in this place that seemed beautiful
And all that I know
Is that somewhere
There's comfort in being alone
Comfort in being alone

Leave your past and go
Leave your past

If you're gone
Then I know
I'm stuck in this place that seemed beautiful
And all that I know
Is that somewhere
There's comfort in being alone
That's where you are

Alone
That's where you are
Alone

If you're gone
Then I know
I'm stuck in this place that seemed beautiful
And all that I know
Is that somewhere
There's comfort in being alone
