Tell me that there's more,
Tell me who're worth fighting for,
You are.
Everything I know,
Everything that matters,
You can make this easy,
Believe me.

At the perfect moment,
Just say that everything will be alright

Make me believe,
Lie if you have to,
Stay here forever,
Tell this won't end.
Make me believe,
Know that I need you,
Don't leave me alone here.
This doesn't have to end,
This doesn't have to end

For what it's worth, I tried,
For what it's worth, it mattered to me,
You can't be replaced,
You're not just another face,
You can make this easy,
Believe me.

At the perfect moment,
Just say that everything will be alright.

Make me believe,
Lie if you have to,
Stay here forever,
Tell this won't end.
Make Me believe,
Know that I need you,
Don't leave me alone here.
This doesn't have to end,
This doesn't have to end

Waiting, frustrating,

But I can't let you go,
I just need you to know,

Waiting, I'm breaking down
But I can't let you go,
I just need you to know.

For what it's worth, I tried,
For what it's worth, it mattered to me...

Make me believe,
Lie if you have to,
Stay here forever,
Tell me this won't end.
Make me believe,
Know that I need you,
Don't leave me alone here.
This doesn't have to end,
This doesn't have to end,
This doesn't have to end,

Make me believe,
Lie if you have to,
Stay here forever,
Tell me this won't end.
