Hold on
Feel the pressure and it's killing you
Hold on
Disconnected from the line I threw
Like a drop in the ocean
Nothing can change it
Wish I could change it

I feel your pain
Like it's happenin' to me
What can I say
That could take it all away

But I will be
Your morphine
Your morphine

You're searching,
For a sanctuary everywhere, but here
And I will cover you completely
Like a drop in the ocean

Nothing can change it
I wish I could change it

I feel your pain
Like it's happenin' to me
What can I say
That could take it all away

But I will be
Your morphine
Your morphine

I feel your pain
Like it's happenin' to me
What can I say
That could take it all away

I feel your pain
Like it's happenin' to me

But I will be
But I will be
Your morphine
