Tell me  
What you see  
Are you still wondering?  
You can't be afraid to make mistakes

We are  
We are who we are  
We are  
We are who we are  
And nothing can break us  
And nothing can hold us down  
Cause we are who we are

This can't be happening  
You mean too much to me  
We can't be afraid to make mistakes

We are  
We are who we are  
We are  
We are who we are  
And nothing can break us  
And nothing can hold us down

Everytime you scream  
You make no sound  
Reaching out for help  
No ones around  
I'll be around

They're leaving us  
And just take the time to notice  
Nothing can break us  
Nothing can hold us down

We are  
We are who we are  
We are  
We are who we are  
And nothing can break us  
And nothing can hold us down  
Nothing can break us

Nothing can hold us down  
Cause we are who we are  
Cause we are who we are  
Cause we are who we are
