I'm stuck inside my mind it's ugly what i find you think  
that i'm so kind this face has got you blind the  
Little girl will hide so pretty on the outside gonna burn  
and bleed this hate is killing me  
I stay awake till three i'm drownin in my sleep i know  
the flesh is weak i pray my soul to keep i suffocated  
With grief this monster will not leave my nightmare's  
just begun i hate what iv'e become  
Cuz you made me to break me  
I'm daddy's little girl my mommy's next to me i'd rather  
kill myself than go to therapy why won't i shut my  
Mouth? cuz youv'e got eyes like me why don't you  
shoot yourself so someone dies for me mommy!  
Cuz you made me to hate me  
I try to fight but there's no use guess i was built for your  
abuse bodies bruised hands are cold vicious  
Thoughts i can't control she'd the demons rid the past  
slit my wrists so they ask... what is real? what is fake?  
Pray to god i don't break  
Father forgive me, for i have sinned it's been 2 weeks  
since my last confession  
Don't tell me what iv'e broken you aint seen nothin yet  
the glass just left me swollen it's you i'm gonna get  
Are you afraid of me? i think you should be i'd rather  
kill myself than let you make me bleed i live in misery  
And sit there quietly why don't you stab yourself so  
someone dies for me mommy  
No i'm not happy now you're still here next to me i'd  
rather swallow shit than you infecting me i vomit  
Constantly while you apologize why don't you kill  
yourself so someone fuckin dies mommy
