She is the little bitch her cuts she cannot stitch the
blood begins to gush and now she knows too much she
Rapes you with her mind can't leave her past behind
invites you with her eyes destroys you with her...lies
Psychopathic, now you ask if things are what they seem
reality is all that's dirty underneath the clean
She loads the empty gun she fucks him just for fun she
sucks her thumb to sleep there's nothing left to keep
She spits what's in her mouth she rips her insides out
she likes to see him bleed she bites the hand that...
Feeds
Reality is all the shit that makes me fuckin..scream!
"there is no escaping here"
Eenie meenie minie moe what you reap is what you sew
if you hollar i will know can't let it, won't let it
Gotta let it go
Put on your face pretend to be brave what you don't
know won't hurt you it's too late to be saved feelin so
Clean i'm feelin so clean take another look cuz things
are not what they... i don't wanna be clean
