They say that equality is for everyone black and white,
rich and poor male... and female
Bullshit and you can fuck that american dream livin in
america i know what it means to be on welfare have no
Healthcare walk down the street and be scared and
unprepared for a system that's built on hate and gives
Permission to rape discriminates against color while it
wrecks and dis-respects my sex i ain't down.

Down for the system thaat's why i resist them lied to
and betrayed (listen)

Muthafuck the estblishment and all that it standss for
censor and dismiss the media and demands for sexual
Commodities equality vvoid with anorexic images of
bodies destroyed from diets to pills to throwing up till it
Kills continual false definition of what sells ten pounds
thinner, miss america winner but i ain't down you can
Keep your muthafuckin crown

Not down for the system that's why i resist them lied to
and betrayed-

You've got to raise the critical questions bout their
intentions that you were taught to believe talkin it
From the system that's set up to decieve that's set up
to decieve based on lies that were taught to you in
School -

Historys been polluted they're treatin you like a fool if
you think that they're playin it staight today it's
Up to you to find out and make it your own way don't
buy the lies they try to disguise you say you wanna be
Down? you gotta taer it down

So you say that you're politically minded but you stay
blinded lokkin for the truth eyes closed, you can't
Find it they keep believin it but the way i'm seein it
here's how i'm feelin it-

At 10...you suck at 9...you're fucked at 8... you're a
sucker at 7... a muthafucker at 6...you're jacked at 5

...staight wack at 4 ...your a clown all the way to 1 and
we're done. are ya down?
