Make A Wish

Woke up today and I tried to breath  
instead I suffocate in lies of dreams  
you're never what you seem to pretend to be  
inside myself I feel the need to be...  
your martyr. whore the ex that you should never trust  
the seven deadly sins that you will not discuss  
my lovely creature is quickly losing all his charms  
and he'll be left with nothing and no one in his arms

Tell me what you want from me  
I'll rub it till it bleeds  
tell me what you want from me  
I'll give it what it needs  
tell me what you want from me  
I'll rub it till it bleeds  
tell me what you want from me  
I'll give you what you need... I'll give it

In violent dreams I dreamed of you  
tried to forgive the things I knew  
this romeo so innocent  
has crucified his juliet  
while angels kept me safe  
you fucked away my faith  
I'm in this purgatory state  
but it's to late  
selfish iattempt to keep it  
selfless idestroy the secret  
no longer tortured I'm the creep  
who scars herself to sleep

Tell me what you want from me  
I'll rub it till it bleeds  
tell me what you want from me

I'll give it what it needs  
tell me what you want from me  
I'll rub it till it bleeds  
tell me what you want from me  
I'll give you what you need... I'll give it

she'll hear it when she sleeps... when he sleeps

It's 11:11  
Happy Birthday

Now lay me down to sleep. code I know but I can't keep  
if blood could crawl I'd spill it all just to escape from me  
can you feel my pain?  
can you feel my pain?  
can you feel my pain?  
can you feel my pain?  
feel it...  
are you scared?  
scared of me?  
cause I don't sleep  
and you don't sleep  
you don't sleep with me!

Tell me what you want from me  
I'll rub it till it bleeds  
tell me what you want from me  
I'll give it what it needs  
tell me what you want from me  
I'll rub it till it bleeds  
tell me what you want from me  
I'll be your little creep  
tell me what you want from me  
I'll rub you till you bleed  
what the fuck do you want from me  
I'm just a little creep  
tell me what you want from me  
I'm happy when you bleed  
tell me what you want from me  
I'll hear it when I sleep...
