Are you ready for some darkness?
Are you ready for some fun?
Do you want to touch the night tonight?
Or do you want to grab your hat and run?

Are you ready for some action?
Are you ready for the void?
Do you want to lose your mind tonight?
Do you want to be a dirty boy?

Are you ready for the night time?
Are you ready for the boost?
Do you want to suck the cock tonight?
And taste the outerspace truth.

Are you ready to be punished?
Are you ready for some good old pain?
Do you want to feel detoxed tonight?
Do you want the night to stay?

Or is it way to much?
Too much for you to touch.
You want it, you got it.
But do have the guts?
So come on, give me a kiss.
But don't give no lip.
You saw it, you bought it.
But you never paid for this.

Are you ready for some darkness?
Are you ready for the show?
Do you want to feel the heat tonight?
Do you want to hit the road?

Do you really want to get it?
Or do you, do want to shut the door?
Do you really want to comb it today?
Do you want some more?

Or is it way too much?
Too much for you to touch.

You want it, you got it.
But do you have the guts?
So come on, give me a kiss.
But don't give me no lip.
You saw it, you bought it.
But you never paid for this.

Are you ready for the passer?
Are you ready for the night?
Do you want to bus with us again?
Are you ready for the fight?
Are you ready?
Are you ready?
Yes im ready.
Yes im ready.(3x)
Are you ready?
Yes im ready.
Are you ready for the life?
