I tried to be part of the scene -
Bought all the records and magazines -
But all the kids they put me down -
Laughed and said I was a clown -
Said they didn't want me around -
Made me feel so all alone -

But now I'm back with a bang -
I've got my own leather gang -
And all of them are men -
And denim's back again -

And I am - And I am -
I am a denim demon -
Got my own congregation -
I am a saint for seamen -
And I am - And I am -
I am a denim demon -
You've got my penis steaming -
And your asshole screaming : HELP! -

The day is black, the night is white -
The disco sun it shines so bright -
Protruding buttocks left and right -
I draw my sword prepared for fight -
The stench of piss reveals your fright -
Your asshole is in for a ride -

But now I'm back with a bang -
I've got my own leather gang -
And all of them are men -
And denim's back again -

And I am - And I am -
I am a denim demon -
Got my own congregation -
I am a saint for seamen -
And I am - And I am -
I am a denim demon -
I've got my penis steaming -
And your asshole screaming : HELP! -

Outside of society - Good Head ! Good Head ! - 4x -

OUTSIDE -
